# Explore Lake Andrusia & the Chain of Lakes...

Morningstar Resort is located on Andrusia Lake in northern Minnesota. From the resort, boaters can explore the varied scenery and fishing on 8 other lakes in the Cass Lake chain of lakes. The area is famous for its outdoor recreational opportunities: Swim in the crystal clear blue waters of the lake, or try your luck fishing on beautiful Lake Andrusia. Take the kids tubing, roast wienies around the campfire, or sun yourself on the beach and read a novel. Perhaps you will see eagles soaring overhead! Watch the sun set, and spend a cozy evening at the lodge or around the campfire.

## Andrusia Lake Facts

Area: 1578 Acres  
Maximum depth: 60 feet  
Water clarity: 10 feet  
Water quality: Excellent  
Fish species: Black Crappie, Bluegill, Largemouth Bass, Northern Pike, Musky, Sunfish, Rock Bass, Walleye, and Perch

Open year-round for hunting, ice fishing, skiing and snowmobiling.

## A northwoods wonderland!

Wildlife, scenery, clean air and water, peace and quiet, great fishing, and maybe a glimpse of the northern lights!

## *A Northern Minnesota vacation...*

Minnesota has become famous for its wonderful resort vacations. For ninety years, people have flocked to the lake country for its slow pace, scenic beauty, and great fishing. Morningstar Resort offers all these traditional draws and more. The resort's layout includes spacious grounds, right along the lakeshore, that are perfect for horseshoes, volleyball, and other family activities such as waterskiing, hiking, or biking. Kids will enjoy playing on the sandy beach and playground equipment. The extensive dock system can be great for kid's fishing and the fire ring is a draw nearly every night.

### *Weather in the Northland*

-Summer: average high temperature is 70 to 85, with cooler evenings.  
-Fall: cooler daytime temperatures of 45 to 65, but the walleye fishing is really great!  
-Winter: December averages 21 for a high and 3 for a low. This is a great winter sports area, with wonderful groomed snowmobile trails, cross-country skiing, ice skating and ice fishing.

Free use of paddleboat, kayaks and canoe!  
Boat launching and docking is free. Pontoon and motor boat rentals are available.

## *Fun for the entire family!*

The fishermen in the family will be thrilled with the quantity and quality of angling experiences available right from the resort!

# *A cabin by a beautiful lake...*

The resort features twelve lake-level vacation homes that can accommodate from one to twelve people. Each cabin has been remodeled within the last 5 years, and are fully stocked with bedding, utensils, dishes, pots and pans, toaster and coffeepot. Large decks afford a beautiful view of the lake and sunsets. There is a picnic table and grill by each deck. Free firewood for guests! -Special rates are available for spring, fall & winter guests. Check our website!

## *Lodge, Bar, Restaurant*

-Enjoy the full-menu restaurant and full service bar, with fireplace, big-screen TV and occasional karaoke! Guests can watch the hummingbirds while dining on our outdoor patio.  
-The "Game Room" has a pool table and arcade games.  
-There are laundry facilities and private shower rooms in the lodge as well.  
-The "Convenience Store" stocks bait, ice, groceries, gas, clothing and souvenirs.

There are a variety of different sized cabins. Great for family reunions! Motor home and seasonal camping sites are also available.

## *and all the comforts of home!*

Check out the sunset over the lake from the living room or deck of your cabin!  
We invite you to enjoy a northwoods 'home away from home!'
